Congratulations to ROBERT LIKES for his first place winning entry. A big thank you to all who submitted entries. A very special thank you to Jo Riefer for her computer enhancing, her tireless help and support in this our only fund raising event. A very big thank you to Jeff Bitzer's organizational skills that ensured all the work being done would be done on time. He will now go on to work with the Mint to make sure our Coin is made to our standards and our delivery schedule is met. To the judges who had the difficult task of narrowing the 36 entries down to six finalists, thank you, thank you and thank you.
