NEWSLETTER

MARCH 2003 ISSUE #22

PRESIDENT'S REMARKS

As I said in my last remarks, Clayton and I would be traveling around with the idea of picking up silver strikes that we did not have. We spent a few days on the Strip (since that casino no longer has strikes, I do not feel the need to list them) and one day we went over to New York New York. I had heard that these were quite hard to get but luck was with me as I got seven strikes for my first \$20 with quarters left over! We next stayed overnight at the Las Vegas Club and were able to pick up several of the first five Olympic strikes. Freddie Maatouk, Director of Slot Operations was very gracious to us and treated us royally.

By previous arrangement Ralph Bjornson and Bill Brooks who had come to Vegas came by and took us out to the Palms. It was the first time Clayton and I had been there and we all immediately started taking turns playing the two strike machines. Bill does not quite understand how Ralph and I were able to get our 20+ so easily and so inexpensively. Just lucky Bill! We were working to get that new \$200 that was to come out in just a few days. This \$200 used a design that Bill had shown the slot manager and we got to see the prototype. It is simply beautiful and will go so well with the 9-11 strikes.

From the Palms we went to the Suncoast-another casino which was also a first time for Clayton and me. Again, I was able to get the new set except for the Towers but I was able to trade.

Clayton and I were going to Hemet, CA and did not want to haul all our strikes with us so we gave that suitcase to Ralph. In it were the 20 \$10 Palms strikes, which he and Bill were to trade in for us for the \$200. After Hemet we went down to San Diego to spend a few days with Ralph and Donna Bjornson. It was Doug Conley's turn to set up the trading session for the Southern California group. What a thrill it was to drive up and see Doug Conley. We hopped out of the car and there was Tom Hollywood. It is always special when he is there as he keeps things lively! Also attending were Dave Ruffel, Sue and Bill Cohenour, Gary Heinz, Bill Brooks, Pam Corry, Frenchy Choquette (he had to behave, he sat by me), Richard Dickenson, Jim Quinn and Norm Chrzanowski. Also, Doug's wife Nancy came by for a few minutes. We all thought it was a very good trading session and it was quite brisk for awhile. We also had breakfast together-but food was not the most important thing.

Until next time, happy striking!

BE A PART OF THE SILVER STRIKE OF THE YEAR SELECTION!

Each year the various gaming establishments around the world release thousands of new chips, tokens and silver strikes. The Chip, Token and Silver Strike of the Year Award is our way of recognizing the design and beauty of these pieces. The selection process is open to all members of the CC & GTCC.

This year the Club will be awarding 1st, 2nd and 3rd place awards in all three categories: chips, tokens and silver strikes released during 2002.

All that is required for Club Members to actively participate in this annual contest is to submit YOUR nomination on the form that will be provided with the First Quarter issue of the Club magazine. Everyone who submits a nomination will automatically be placed on the judging committee to select the best of the very best nominations. Associate members are also encouraged to submit their nominations as well.

A BIG THANKS to Christie Gregory who put all the scans of the 2002 strikes on the GT>CC web page for SSOTY!

Even though this competition is decided by the entire **membership of CC>CC**, the 300 CC>CC members of the Silver Striker Chapter carry enough votes to do the selecting. Hence, when you get the opportunity to make a nomination, do so, and then **vote** for the finalist. There have been several outstanding strikes in the year of 2002, and competition should be keen.

“SILVER STRIKE” HALL OF FAME NOMINATIONS

It is time again to nominate Silver Strikes for the Hall of Fame. You may nominate 3 strikes for the Hall of Fame. The cut off date for nominations will be **April 10, 2003**. It can be a strike of any domination you think has great artwork or just one that strikes your fancy. If you sent nominations last year and yours was not selected you can resubmit it again. The nominations will be published in the May newsletter and the actual voting will take place in May. The winners will be announced at the convention.

In 2002 we placed in the Hall of Fame: O’Sheas, LV, Donkey/Elephant; Plaza, LV, Silver Strike Chapter; and Aladdin, LV, \$28 Taj Mahal.

Last year we had a good response for the nominations but I think we can do even better. Please, participate and make your chapter a better organization and more meaningful to you and others.

Nominations can be sent by mail to:

Jo Riefer
2283 Panoramic Dr.
Concord, Ca 94520.
Nominations by email to jonick@lycos.com

Thanks,
 Jo Riefer, Hall of Fame Chairperson

FORTUNE BAY PATRIOTIC STRIKES

At the beginning of the year, Dennis Finn posted that the Fortune Bay Casino had a new set of patriotic strikes delivered to them. I spoke via emails and by phone with the Casino Manager, Mr. Terry Sandnas about when they might begin putting them into the hopper. Towards the end of January, my brother Brain and I made the 9-hour trek up to Fortune Bay, which is in Tower, MN. It's a very nice Native American casino in the "northwoods" of Minnesota, up near the Canadian border. Their new set consists of 5 different designs. It is a great looking set with a couple of new designs not seen on any of the Nevada patriotic issues. The casino has named the collection "America Will Not Forget- A Tribute to America's Heroes". According to Mr. Sandnas, the Casino only minted 50 sets of these strikes. He said they are only putting a few of the new ones into each hopper fill. This could make this set very hard to come by. I did manage to get a couple of sets after playing through a couple hoppers.

Mr. Sandnas and everyone at the Casino was very friendly and helpful, which made our trip that much more enjoyable. On my next trip back I hope to take a picture of their Silver Strike Machine as it is a different kind than we are used to playing. It is a video reel type of slot machine and has a few different kinds of credit pays. I would like to thank Mr. Sandnas for the time he spent speaking with me about the history of

their silver strikes. I would also like to thank Fortune Bay Resort Casino for putting a new set of strikes into play, which does not happen often, if at all, here in the Midwest. In case anyone is wondering, it was -17 up there when we went. The things we go through to get Silver Strikers.

DID YOU HEAR?

Howdy's Illustrated Guide to Nevada Silver Strikes, 2nd edition, is to be issued by April 1, 2003.

IGT has removed the "hockey puck" strike delivery concept from the new silver strike machine.

There have been two casinos that have requested permission to use the Silver Strike logo on silver strikes to be issued at convention time.

New gaming regulations require that the minimum number of any "stated limited editions" of tokens (strikes) be 500. There may be a couple of exceptions to this do to approval timing, but from here on, no less than "500" to be stated on any strike.

Palms Casino is working on artwork for 4-\$10 strikes with Seattle Slew on them. They celebrate The Triple Crown, Kentucky Derby Belmont Stakes and The Preakness. There is to be a \$200 strike for this series.

VOTE! WHY YOU ASK? HERE'S WHY!

The election of CC>CC officers is about to take place and there are several heavily contested races. With 500+ members, nearly 300 of which can vote in the election as members of CC & GTCC, the Silver Strikers have a very meaningful block of votes. There are several issues that can affect this Chapter so supporting candidates that are supportive of strikers is indeed important! The impact can only be felt IF YOU VOTE! **A good reason to join CC>CC!!! YOUR VOTE MUST BE MAILED BY APRIL 14, 2003**

SUBMIT YOUR SILVER STRIKES FOR THE 2003 CONVENTION "STRIKER" AUCTION

(Not to be confused with the CHIP auction of CC>CC)

CUT OFF IS APRIL 1, 2003

Each Silver Striker member is entitled to submit four (4) silver strikes for the Club's auction held on Thursday night at the convention. Some great strikes have found new homes via this auction and some decent prices have been paid. We ask that the strikes are at least somewhat rare and carry a premium. This is a mail bid as well as a live auction. There is a 10% seller fee. Send the strikes and your minimum bid to: Jack Haddock, P. O. Box 7544, Reno, NV 89510.

THE COST OF A NUGGET ROOSTER STRIKE

There are two strike machines at the Sparks Nugget – one dispenses the Golden Rooster silver strike and the other the Restaurante Orozko. The Orozko machine is the old "bars pay" type and does not accept the Nugget Club Card for points. A point or \$1 is added for each \$100 you play which can be used in the casino restraints, etc. However, the Rooster machine does accept the card, as it is the more common machine that pays with "three 7's."

Now here's the real info. I got my card in Dec. just before playing for the silver strikes to obtain the \$200 one-pounders. I used the card only on the rooster silver strike machine, as that is the only machine I play. I requested a statement for taxes on my account and here it is:

Coin in \$1,738 Coin Out \$830 (83 strikes) That's \$20.90 each

Here's the "*REST OF THE STORY*." The "coin in" is misleading because it includes the pays from cherries and bars, which go into credits that are played to achieve the silver strike jackpot. The records I kept indicated that each rooster strike during December cost \$17.60. Not a particular bargain. Another statistic is that it takes one hour to play \$300, which as you can see didn't produce 20 strikes, at least during December.

CONVENTION VOLUNTEERS

We need your help at the 2003 Convention. Convention time is fast approaching. The Silver Strikers Chapter will have a membership table again this year. We want to promote our Chapter to all of the Convention attendees. At the table we will be signing up new members, collecting membership dues, selling Chapter T-shirts and taking orders for Chapter Rosters. We will also be there to answer any questions visitors have about the Silver Strikers Chapter.

We are asking that Chapter members volunteer to take a turn manning the membership table for two-hour shifts. This will enable us all to assist in promoting the Chapter and at the same time still enjoy the rest of the Convention. The table will be open from opening to closing, for three days so we will need all the support we can get. Please try to find a way to fit a two-hour shift into your convention plans. Let me know what days and hours you would be available. It would be a big help to have alternate times so scheduling can be

completed. Please notify me at the following address: **Silver Strikers, c/o Kevin Pyles, 1225 Wellington Court South, Buffalo Grove, IL 60089-1599** or you can email me silverstrikers@attbi.com.

Kevin Pyles, Membership Officer

CHARGING FOR POSTAGE

There is always a lot of discussion on the subject of how much to charge, or be charged, for postage and handling on silver strike auctions. Certainly, know the cost before you bid and figure that cost into the amount you are willing to pay for the strike. The Silver Strike Chapter encourages a reasonable charge for postage. Make your money from the sale of the strike! – NOT postage and handling.

An actual postage cost breakdown would be:

One strike in bubble pack:	\$.60
One strike in bubble pack insured for \$50	\$1.90
One strike in bubble pack insured for \$100	\$2.80

A small bubble pack should cost about 50 cents to \$1.00. Now, if there is a charge for standing in line at the post office – GOOD LUCK!

ARTICLES WANTED!!

In order for this newsletter to remain interesting and broad in scope, **YOU** are requested to participate by sending articles – short or long – to be included here. Many of you have had interesting experiences while chasing silver strikes that would be great to share and others of you know something about silver strikes you've never seen any information on.

Here's a story, as an example, told by Peter Van der Kar back in 2000:

We have all heard the old adage, "which comes first, the chicken or the egg?" In silver striking there also is an adage, "which comes first, ONE MORE TWENTY or THIS IS MY LAST TWENTY". Lloyd Malani was grappling with this issue at Harrah's, Las Vegas, not long before they took out the \$40 machines and after two twenties and one strike he said, "this is my last twenty". Unfortunately he did not line up any bars. Sixty dollars for one \$40 strike was enough. As he began to walk away he changed his mind, turned around and said, "one more twenty". Does this answer the question? Well, I think it is different for each of us. Anyway, a few pulls later he lined up the triple bars on the bottom row and was really excited when his three strikes dropped out followed by a fourth. Looking up he noticed that the single bars had lined up on the top line. Four \$40 strikes for his "one more twenty". Well, **JACKPOT!!**

He was so excited that he didn't even care that there were three duplicate Sax Players and Bourbon Street. He had now a total of five \$40 strikes for eighty dollars. Back in his hotel room, after a long day of striking, he began to look at his loot. Surprise, surprise. The three Sax Players were all different logos; alligator no-date, alligator 1995, and the stars logo. These three plus a Bourbon Street and Construction Zone gave him five new strikes for his collection with no duplicates. What a windfall, and based on what these older strikes are going for he had really won a significant **JACKPOT**. So next time you put in your **LAST TWENTY**, remember what **ONE MORE TWENTY** can do and good luck to everybody!

ARE YOU A MEMBER OF CC>CC?

CC>CC (Casino Chip and Gaming Token Collectors Club) is the main Club that the Silver Strikers Chapter is sponsored by. Though the Silver Striker Chapter operates independently and a member **DOES NOT** have to belong, there are distinct benefits of belonging to the main club: Quarterly magazine, admission to CC>CC events, enlarges your circle of collectors to over 2000, and gives ability to **VOTE** on elections, competitions, and policy changes.

The dues are \$20 a year and if you want to join send dues and your mailing info to: CC>CC Membership Officer, Ralph Myers, P. O. Box 35769, Las Vegas, NV 89133-5769. Tell them the Silver Striker Chapter sent you! **Application enclosed in the center of the newsletter.**
