President's Remarks, by Pam Martin

For one hundred and thirty three silver strike players 2007 started off just perfect. The Tournament at the Four Queens was the BEST. The Four Queens Hotel and Casino was very impressive. First their hotel rooms are extremely nice, our hotel room was one of nicest I have seen downtown.

The Staff is not only very friendly, you would find them around everywhere making sure we were having a good time and keeping things running smoothly. There were strikes, silver strike machines and silver strike players everywhere for days. The welcome reception was very nice, two days of tournament play plus the awards banquet including a winner's table, Pearl Rogers this year's winner will be joining in next year. The trade session was a great success. I would like to thank Bill Jollie for greeting all the new members to the trade session and helping to make them feel more comfortable. This is something we have been working on for sometime with Mike Hennessey and we plan on continuing with the next trade session at convention. I would like to thank the Staff at the Four Queens including Pam, Mike and Todd and especially Shaun Webster who made it all happen and made it very special. From what I hear they are already working on next year's event and it's going to be bigger and better. I believe there will be an automatic 133 people returning, plus many more.

These last few months the approval list continues to include more and more tokens. The tokens have been slow in appearing and now it makes you wonder what is the real problem. January brought 5 new red caps plus a \$200 at the Four Queens, all of these tokens were perfectly struck with no flaws in the rims or any problems with the lettering. At the same time Mandalay

Bay and Slots A Fun came out with new \$40's and \$10's. Many of these have flaws in the rim and weak lettering in the silver portion. Some are trying to say these examples of poor workmanship are "errors" and trying to get a few extra dollars for a token that is nothing but sloppy work done by the mint. They are not "mule's" or "coin aligned" or even a clashed die, just inferior workmanship done by the mint. Not long ago many of us were disappointed with the quality of the new \$200 produced by the Roger Williams mint. We were able to work with the casinos and now have some beautiful \$200's like the new Four Queens Hugo's Cellar and last year's Vegas Club \$200 celebrating our seventh anniversary. Hopefully we will get back to the gold plating on the \$200 as well. It is my hope that we can continue to work with the casinos and IGT who need to take notice of these tokens and demand better quality. New designs and proof quality tokens are what I hope to see in the future.

It is also time for nominations for new officers. Your board's term is up this August, 2007 and it time for every position to be open and nominated again for the next term. I am hoping with all the new members many of you will step up to the plate and take on this challenge. We need to move forward and maybe move into some new directions. Please consider running for an office. It is fun and really not a lot of work. Things run pretty automatic now. John has fine tuned the newsletter and most of the responsibilities are easily handled. All offices are open for nomination, President, 1st Vice President, 2nd Vice President, Secretary and Treasurer. Each of the duties can be found on our website at silverstrikers.com. Any articles for the newsletter will be greatly appreciated. Its your turn to say what and where we need to

Letter to the Editor

I would like to thank you and the Silver Strike Club for the great time I had at the Four Queens in my very first Silver Strike Tournament. Although, I came in 82nd it was very exciting to meet many of the members. Also I would like to thank Gary Heinz for encouraging me to play, it was very exciting to play for all the different red caps and little icing on the cake, sitting next to Mr. Nelson the designer of the quarter pounder! Once again my wife and I thoroughly enjoyed ourselves and hopefully we will try again next year!

Board Meeting Minutes by Bill Jollie

The last Board meeting of 2006 was held at 5:00pm Pacific time on December 28. All Board members were in attendance.

The following is the list of topics discussed along with a brief summary of some of the discussions.

- **Trade Session:** Pam will continue to look for a place for the trade session to be held during the annual meeting. All bids and details will be shared during our first board meeting in 2007. Currently that is scheduled for January 16th.
- **Silver Strike Party at the Convention:** The board unanimously agreed (in light of last years success) to get bids on a location for a party during the annual conference.
- **Lifetime Membership:** A long discussion was held regarding this issue. Details will be released no later than the annual meeting.
- **Creating Committees and Chairs:** The Board voted and agreed that the creation of committees and chair appointments would require a majority vote.
- **Newsletter:** A motion was made and seconded to identify the newsletter as bi-monthly by changing one of the identifiers to read January/February 2007, March/April 2007, etc. instead of the month actually published. The motion was carried.
- **New Club Coin:** The Board will vote and select 5 coins to present to the membership for final selection. The Board will select the 5 finalist during the January Board meeting.
- **Cost of Club coin:** The sale price and number of coins produced will depend on the price to produce this year's coin. Bill Jollie agreed to follow-up on this issue.

The following topics were also discussed by the Board. No final resolutions were made.

- Retiring Member Numbers
- Dues
- Membership Cards
- Strike of the year plaque
- Special Mailings

The Board will have a special meeting on January 16, 2007 with Jeff Bitzer to select the finalists for the Club Coin Design Contest.

SS Club Historian's Corner

by Jeff Gaffke

When I signed on for this position, Mary Lou Waterbury provided me with a history of the Silver Strikers Club. Below is a first installment of the story of our club.

HISTORY OF THE SILVER STRIKE & THE SILVER STRIKERS CHAPTER/CLUB

Part One

Silver strikes first appeared in 1992 when Anchor Gaming introduced a \$7 silver strike slot machine in several casinos in Nevada. These strikes did not have a case so they got pretty banged up.

The strikes were touted as souvenir coins so when people won one or more they took them home and tossed them in a drawer. A few people felt that this was something they could collect so they began searching for more of the machines.

At the end of 1993 the \$10 strike made its appearance. Also in 1993, a \$28 silver strike was in play at the Aladdin, Las Vegas, Golden Nugget, Laughlin and the Rio Casino in Las Vegas.

In 1994 and 1995 Anchor Gaming tried a 5 cent machine with a prize of a \$2 brass "silver strike." Casinos that offered these machines were the Aladdin, LV and Harrah's Reno which featured the Seven Wonders of the World. The Edgewater in Laughlin did Eleven Wonders. The Teller House in Colorado came out with seven Man Made Wonders and seven Natural Wonders. The Grand in Colorado had the Seven Wonders with both 1994 and 1995 dates. Deadwood, So. Dak. had Seven Wonders dated 1994 and 1995 plus four cars and motorcycles. The \$3 "silver strike" was put out by the Aladdin Casino featuring the World's Seven Wonders.

In 1995 a \$5 pull machine was introduced in five Nevada casinos with a prize of a \$200 strike. This was not popular and it ended with the machines being pulled and the \$200 strikes sold out of the cashier cages.

In 1998 the Imperial Palace came up with the idea of trading 20 \$10 strikes for a \$200 and other casinos followed this concept.

Janice O'Neal was printing out a list of all the Nevada silver strikes, to sell to all interested persons.

The strike machines were catching on in other states as those states began permitting legal gambling. Alabama, Colorado, Connecticut, Illinois, Iowa, Louisiana, Michigan, Minnesota, Mississippi Missouri, New Jersey, North Dakota, South Dakota, and Wisconsin, all jumped on this new "fad." Even cruise ships along with a few of the islands in the Caribbean installed the strike machines.

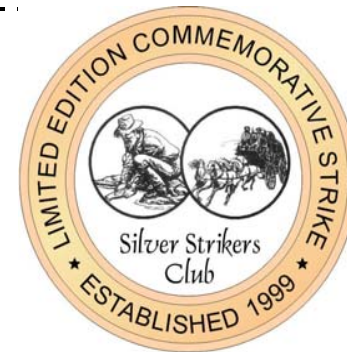

During these first years collectors were meeting other collectors at the strike machines delighted to find someone with like interests. Names and addresses were

move forward.

We also have the results of our club coin contest and its time to vote on your favorite. This will be our club coin for 2007. Please remember to vote. I would like to thank everyone who submitted a design for our contest. The designs were great and only made our decision a hard one. There were a few of the designs that had to be automatically rejected because of trademarks. The use of certain names, people, etc that cannot be used without their permission, and had to be rejected.

I would like to thank the board for their support and help these last few weeks and especially to Judy Barton who has been working on our trade session at the Four Queens. It will be Tuesday August 7, 2007. Please mark your calendar for this fun event and one not to be missed. Judy is working on our celebration party for 2007 with all the board starting to get things lined up for convention August 8 - 11, 2007.

Please take some time to vote on these items in your newsletter and to consider giving some time to your hobby and club. We are continuing to grow and always bringing in new members. Remember the club is only as good as its members. It's time to step up and give something back.

exchanged. People for the most part were laboriously writing up their want lists and sending them around the country. Ray Moritz took out an ad in the Numismatic Magazine and met several collectors who responded to his request for silver strikes.

It was so exciting to run across someone who shared your interest. We were all wondering how to contact others and get more silver strike buddies.

Secretary's Corner

By Bill Jollie

It took me two weeks to come down from the incredible high I was on during the Four Queens slot tournament. Six silver strike machines, incredible new coins and one of the most beautiful prize coins anyone could hope to win. Every time I look at it I remember, the awards ceremony, the fantastic trade session and all the people and fun we had together. This club brings me more joy and fun than I ever expected.

I thought that being a board member would take away from the fun of being in the club, but it only enhanced it. So far the things that come with being on your board have given me a great deal of say in how we operate and will operate in the future. Soon, actually now, is your chance to throw your "hat" in the ring for a chance to direct the future of our club. Please believe me, you will enjoy the ride. If you have ideas for our future, don't sit back and hope, step in and make something happen.

Do you meet prospective club members at the Silver Strike Machines?

If so, and you would like to print out your own cards just like the one below, send and email to Silverstrickers@gmail.com with your Name, Club Number and we will send you a PDF file that you can use to print out your own sheet of cards on Avery Business Card Stock.

Cut the card below out and use it to recruit a new member the next time you meet someone at a Silver Strike Machine.

Club Strike Design Contest Finalists

by Jeff Bitzer, Contest Chairperson

Hi Everybody,

The drawing contest is here for all club members to vote on. Please take the time to vote and send your ballot to me. We had three entries that we had to submit to IGT for trade mark approval and they were turned down. This was an unforeseen development and we will be better informed for next years contest. We will give special thanks to those involved once the final winner is announced. Thanks again for all who submitted drawings.

Vote for your favorite one by circling it and sending the ballot back to Jeff Bitzer.

Remember to cut this ballot out and return by March 15, 2007
