

Generic Colorado, Various Locations, SSC# Renumbering

Because the \$7 wildlife strikes are consistently finding new strike listings which cause a massive number changes to the follow on pages (20 plus pages & approximately over 128 strikes) the following renumbering will be implemented.

\$2 brass strikes – 001 to 099

\$7 wildlife strikes

Buffalo – 100 to 125

Deer – 126 to 150

Eagle – 151 to 175

Horses – 176 to 199

\$10 & \$28 & \$40 strikes – 200 and up

At some future date we will revisit the issue to see if we can go back to consecutively numbering the strikes.

Required updating approximately 404 html files, renumbering 215 document files (PDF) and renumbering 469 image files. (as of 12 April 2022).

Note: The following pages are a listing of old ssc# to new ssc#.

Green = catalog has the image, Orange =catalog does not have the image.
