

Generic Colorado, Various Locations, SSC# Renumbering

Because the \$7 wildlife strikes are consistently finding new strike listings which cause a massive number changes to the follow on pages (20 plus pages & approximately over 128 strikes) the following renumbering will be implemented.

\$2 brass strikes – 001 to 099

\$7 wildlife strikes

Buffalo – 100 to 125

Deer – 126 to 150

Eagle – 151 to 175

Horses – 176 to 199

\$10 & \$28 & \$40 strikes – 200 and up

At some future date we will revisit the issue to see if we can go back to consecutively numbering the strikes.

Note: required updating 404 html files, renumbering 215 document files (PDF) and renumbering 469 image files. (as of 12 April 2022).
