

Celebrating 20 years of stardom

20th Anniversary

*As a commemorative of my departure of the Royal Academy to my new home, I have selected
three of my most prized objects, presented to me by my dear friends, the British Royal Society and a
collection of my friends, to mark the occasion of the 20th anniversary of my departure.*

*These objects of the present and the past are a gift from my dear friends, the British Royal Society and
the members of the Royal Academy, to mark the occasion of my departure.*

Yours truly,

Isaac Newton 1687-1727

Celebrating 20 years of stardom

Henry

*It is a tremendous joy for me of the Royal Mint to meet these commemorative
silver coins from Henry's remarkable career. New Zealand's proud role in
collecting these coins is well served with the 20th anniversary of Queen Elizabeth*

*Queen Elizabeth II's reign of 20 years. New Zealand's celebration of
Queen Elizabeth II's reign of 20 years is well served with the 20th anniversary of
Queen Elizabeth II's reign of 20 years.*
