

# SILVER STRIKERS CLUB TOURNAMENT UPDATE

April 8, 2020

To our Silver Strike Family,

Due to the uncertainty of when we may open and the restrictions that may be put on us as far as gatherings in a room, we are going to have to move the June Silver Strike Tournament. At this time, we do not have a date set as we all wait for this virus to take it's course. All of us at the Four Queens hope you and your families are staying safe. When we have better knowledge as to what is going to happen, I will post the new date for the Tournament.

The Theme for the Tournament will be "NOSE CONE BEAUTIES"
