A Brief History

- The Silver Strikers Club was formed in 1999 by 140 collectors as a chapter of the Casino Chip and Gaming Token Collectors Club (CC>CC), now known as the Casino Collectors Association (CCA). The original 140 members are known as "Charter Members".
- In 2004, the Club became a stand-alone 501c(7) non-profit Social Club.
- The Club was formed to promote good will and closer relations among collectors of silver strikes and to encourage the study of silver strikes and other gaming and casino related memorabilia of all kinds.
- The Club has grown to over 400 members today.

Four Queens Events

 - These events are run by the Four Queens, not the Silver Strikers Club, and are open to the public.
 - We, as a group, are part of 'The Public'. We, as a Club, should treat non-members graciously as these events are where many of our new members come from.
 - Events:
 - January – This event usually has a Slot tournament package.
 - St. Patrick's Day – This event has no tournament.
 - June - This event usually has a Slot tournament package.
 - Halloween - This event has no tournament.
- Look for event announcements on the club website under **Current News** and posted on Facebook or 'The Strike Point'.

Four Queens Events *(continued)*

- Silver Strikes released during Slot Tournament events usually include a \$300, \$40, 2 Red \$10, and 2 Blue (clad) \$10 strikes.
- To get a \$300 strike, you must trade in thirty \$10 strikes at the cashier's cage (times will be announced). Slot Tournament participants will have priority.
- You can acquire a 'rack' that is sized to hold silver strikes by asking at the Cashiers cage.
- All of the other strikes (\$40 and \$10 red/blue/clear) are won from the Silver Strike machines.
- There is also a ¼ lb. special Tournament strike if you enter the Slot Tournament. This is awarded on Sunday afternoon as a part of the Slot Tournament celebration.

Four Queens Events (continued)

- For non tournament events the released strikes are usually a \$300, \$40, Red \$10, and Blue (clad) \$10.
- Here again the \$300 Silver Strike is acquired by trading in thirty \$10 strikes.
- All of the other strikes (\$40 and \$10 red/blue/clear) are won from the Silver Strike machines.
- As always, be gracious to others and enjoy this fantastic hobby and the other folks that are kindred spirits of Silver Striking.
